▼ Rallys happen every Saturday and aside from calling representatives to take action, are the most important thing to show just how many people know this election is bullshit.

Should have a Saturday rally sticky at least until January 20th.

I will make it up to DC soon but right now Tyrannical Gov Cooper needs more of my protest attention. NC Curfew starts today at 10pm and many are planning to be at his house at 10:01pm.

9 Posted it like a week ago and instead of the mods stickying it they wanted to promote Barr KFC memes....

9 I don't think any of the Million MAGA March Part II threads ever got stickied.

But endless Barr / fried chicken memes did.

The info's been out there. Doesn't seem as well known as the first march, but I think it will still be a significantly large gathering. FWIW, the group I'm travelling in with has more than doubled in size for this second march.

-5 No, it's called a clock? There is no such time as 12:00 a.m. or 12:00 p.m. There is 12:00 noon and 12:00 midnight. Welcome to reality.
